In no event will the Issuer voluntarily settle, or consent to the settlement of, any prospective or pending condemnation proceeding with respect to the Underground Project or any part thereof, without the written consent of the City.

(d) The City shall not, by reason of the use of any Net Proceeds pursuant to this Section, be entitled to any reimbursement from the Issuer or the Series 2002 Trustee or to abatement or reduction of the installment payments payable under Section 3.8 hereof.

## **Section 6.2 Condemnation.**

(a) In the event that title to, or the temporary use of, the Underground Project or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm, or corporation acting under governmental authority, including a taking of the temporary use of the Underground Project, which the City projects will result in a reduction of more than twenty-five percent (25%) of the revenues from the Underground Project for a period of six months or longer, the City shall be obligated to continue to make the installment payments specified in Section 3.8 hereof. Any Net Proceeds received from any award made in such eminent domain proceedings shall be applied at the option of the City in one or more of the following ways:

- 
- (i) the restoration of the Improvements located on the Leased Land to substantially the same condition as they existed prior to the exercise of said power of eminent domain;
  - (ii) the acquisition, by construction or otherwise, by the Issuer of other improvements suitable for the City's operations (which improvements shall be deemed to constitute a part of the Underground Project and to be available for use and occupancy by the City without payment of any purchase price other than as herein provided to the same extent as if such other improvements were specifically described herein and sold hereby); or
  - (iii) payment into the Bond Fund an amount sufficient, taken together with any Net Proceeds, for (A) redemption of all of the Series 2002 Bonds, together with accrued and unpaid interest on the Series 2002 Bonds to the date of redemption in accordance with and subject to the applicable redemption provisions and redemption payment credit provisions for the Series 2002 Bonds provided in Article III of the Series 2002 Indenture, and (B) the satisfaction of all the Issuer's obligations under the Swap Agreement.

If the Series 2002 Bonds and all Additional Bonds, if any, have been fully paid (or provision for payment thereof has been made in accordance with the provisions of Article VIII of the Series 2002 Indenture), and all of the Issuer's obligations under the Swap Agreement have been satisfied, then the Net Proceeds shall be paid to the City.

(b) Within ninety (90) days from the date of entry of a final order in any eminent domain proceedings granting condemnation, the City shall notify the Issuer, the Series 2002 Trustee and the Swap Counterparty in writing as to which of the ways specified in this Section the City elects to have the condemnation award applied; and the Series 2002 Trustee, on behalf of the Issuer, shall proceed pursuant to the terms of the Series 2002 Indenture to carry out the directions of the City to the extent permitted by the Series 2002 Indenture.

(c) The Series 2002 Indenture shall provide that the Series 2002 Trustee, on behalf of the Issuer, shall cooperate fully with the City in the handling and conduct of any prospective or pending condemnation proceeding with respect to the Underground Project or any part thereof and will, to the extent it may lawfully do so, permit the City to litigate in any such proceeding in the name and on behalf of the Issuer and the Series 2002 Trustee. In no event will the Issuer voluntarily settle, or consent to the settlement of, any prospective or pending condemnation proceeding with respect to the Underground Project or any part thereof, without the written consent of the City.

(d) The City shall not, by reason of the use of any condemnation proceeds pursuant to this Section, be entitled to any reimbursement from the Issuer or the Series 2002 Trustee or to abatement or reduction of the installment payments payable under Section 3.8 hereof.

**Section 6.3 Destruction or Condemnation of City-Owned Property.** The Issuer hereby assigns to the City all of its rights and interests in any Net Proceeds of any condemnation award or portion thereof made for damages to or takings of its own property or for damages on account of the taking or interference with the City's rights to possessions use, or occupancy of the Underground Project.

**Section 6.4 Opinion of Bond Counsel.** If the City elects to complete, repair, rebuild or restore under the provisions of Section 6.1(a) above, or to restore, acquire or construct under the provisions of Section 6.2(a)(i) or (ii) above, it shall first furnish to the Series 2002 Trustee an opinion of Bond Counsel that the same will not result in the interest on the Series 2002 Bonds becoming includable in gross income for federal income tax purposes.

**Section 6.5 Invalidity of this Agreement.** In the event as a result of (a) any changes in the Constitution of the State of Georgia or the Constitution of the United States of America, (b) legislative or administrative action (whether state or federal), or (c) a final decree, judgment, or order of any court or administrative body (whether state or federal) entered after the contest thereof by the City in good faith, this Agreement shall become void, unenforceable, or impossible of performance in accordance with the intent and purpose of the parties as expressed in this Agreement or unreasonable burdens or excessive liabilities shall have been imposed on the Issuer or the City including, without limitation, federal, state, or other ad valorem, property, income, or other taxes not being imposed on the date of this Agreement, the City may, at its option, make payment into the Bond Fund of amounts sufficient for redemption of all of the Series 2002 Bonds, together with accrued and unpaid interest to the date of redemption in accordance with and subject to the applicable redemption provisions and redemption payment credit provisions for the Series 2002 Bonds provided in Article III of the Series 2002 Indenture and sufficient for the satisfaction of all of the Issuer's obligations under the Swap Agreement.

## ARTICLE VII.

### SPECIAL COVENANTS

**Section 7.1 No Warranty of Condition or Suitability by the Issuer.** The Issuer makes no warranty, either express or implied, as to the condition of the Underground Project or that it will be suitable for the City's purposes or needs; provided, however, that the Issuer covenants and agrees that the City shall have all of the rights and benefits under any and all warranties, either express or implied, relating to the Underground Project or any appurtenances thereto or personal property located thereon, given or made by any contractor, subcontractor, equipment supplier, supplier of services, laborman, or materialman to the Issuer by reason of or incident to any work performed or materials or equipment furnished in connection with the Underground Project.

## ARTICLE VIII.

### ASSIGNMENT; PLEDGING AND SELLING; REDEMPTION; PREPAYMENT AND ABATEMENT

**Section 8.1 Assignment.** This Agreement may be assigned by the City to any assignee permitted under the Act, without the prior written consent of the Issuer or the Series 2002 Trustee, subject, however, to each of the following conditions:

(a) no assignment shall relieve the City from primary liability for any of its obligations hereunder, and notwithstanding any such assignment, the City shall continue to remain primarily liable for payment of the installments specified in Section 3.8 hereof and for performance and observation of each of the other agreements on its part herein provided to be performed and observed by it;

(b) the assignee shall assume the obligations of the City hereunder with respect to any further assignment;

(c) the City shall, within thirty days after the delivery thereof, furnish or cause to be furnished to the Issuer, the Series 2002 Trustee and the Swap Counterparty a true and complete copy of each such assignment; and

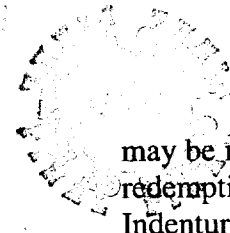

(d) the City shall deliver to the Issuer and the Series 2002 Trustee, prior to the effective date of such assignment, an opinion of Bond Counsel to the effect that such assignment will not have the effect of causing the interest on the Series 2002 Bonds to become includable in gross income for federal income tax purposes or the Series 2002 Bonds to be "arbitrage bonds" under Section 148 of the Code, and will not result in a loan of credit or appropriation for any person or nonpublic corporation or association in violation of Article IX, Section II, paragraph VIII of the 1983 Georgia Constitution.

**Section 8.2 Assignment and Pledge.** The Issuer shall assign to the Series 2002 Trustee its interest in amounts to be received by the Issuer hereunder and pledge any monies receivable under this Agreement as security for payment of the principal of, redemption premium, if any, and the interest on the Series 2002 Bonds and the Issuer's obligations under the Swap Agreement.

**Section 8.3 Restrictions on Sale of Project by Issuer.** Except for any transfers contemplated by the Permitted Encumbrances, the Issuer agrees that it will not sell, or agree to sell, assign, or agree to assign, transfer, or agree to transfer, or convey, or agree to convey, the Underground Project or any part thereof during the Term of this Agreement.

**Section 8.4 Redemption of Bonds.** The Issuer, at the City's request, if the Series 2002 Bonds are redeemable at the time of such request, shall forthwith take, or cause the Series 2002 Trustee to take, all steps that may be necessary under the applicable redemption provisions of the Series 2002 Indenture to effect redemption of all or part of the then outstanding Series 2002 Bonds, as requested by the City, on the earliest redemption date on which such redemption

may be made under the applicable provisions of the Series 2002 Indenture or on the date set for redemption by the City pursuant to applicable provisions of this Agreement and the Series 2002 Indenture. So long as the City is not in Default hereunder, the Issuer shall not redeem, or cause the Series 2002 Trustee to redeem, the Series 2002 Bonds prior to their maturities unless required by the Series 2002 Indenture or requested in writing by the City.

**Section 8.5 Prepayment of Purchase Price.** There is expressly reserved to the City the right, and the City is authorized and permitted, at any time it may choose, to prepay all or any part of the installments payable under Section 3.8 hereof. All installments so prepaid shall be credited to the installment payments in Section 3.8 hereof as specified by the City, and, at the election of the City, shall be used for the redemption or purchase of Series 2002 Bonds in the manner and to the extent permitted in the Series 2002 Indenture and satisfaction of all obligations of the Issuer under the Swap Agreement; provided however, in no event shall this right of prepayment impair the right of the Series 2002 Trustee, on behalf of the Issuer, or the holders of the Series 2002 Bonds to receipt of amounts sufficient to pay the total amount of principal of, redemption premium, if any, or interest payable on any Bond Payment Date (or other date on which the Series 2002 Bonds are to be paid or redeemed) or the rights of the Swap Counterparty.

**Section 8.6 Reference to the Series 2002 Bonds Ineffective After Series 2002 Bonds are Paid.** Upon payment in full of the Series 2002 Bonds and all Additional Bonds, if any, as provided in Article VIII of the Series 2002 Indenture or provision for payment thereof having been made in accordance with the provisions of that Article, all references in this Agreement to the Series 2002 Bonds, the Series 2002 Indenture, and the Series 2002 Trustee shall be ineffective and neither the Series 2002 Trustee nor the holders of any of the Series 2002 Bonds and all Additional Bonds, if any, shall thereafter have any rights hereunder, except such rights as shall have been theretofore vested.

## **ARTICLE IX.**

### **DEFAULTS AND REMEDIES**

**Section 9.1 Events of Default Defined.** The following shall constitute "Events of Default" under this Agreement and the term "Events of Default" shall mean, whenever it is used in this Agreement, any one or more of the following events:

(a) failure by the City to pay any amounts required to be paid under Section 3.8 hereof at the times specified for such payments;

(b) failure by the City to observe and perform any covenant, condition, or agreement on its part to be observed or performed under this Agreement, other than as referred to in subsection (a) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied shall have been given to the City by the Issuer, the Series 2002 Trustee, any Bondholder or the Swap Counterparty. If a default specified in this subsection (b) is such that it can be corrected but not within the period specified herein, unless an extension of such period would materially endanger the lien or charge hereon in favor of the

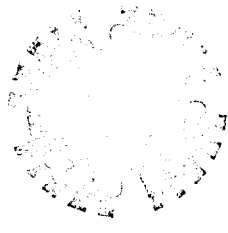

Bondholders or the Underground Project or the revenue therefrom would be subjected to loss or forfeiture, such default shall not constitute the basis of an Event of Default hereunder (i) if corrective action capable of remedying such default is instituted by the City within the applicable period and diligently pursued until the default is corrected, and (ii) if the City shall within the applicable period furnish to the Issuer a certificate executed by the Authorized City Representative certifying that the default is such that it can be corrected but not within the applicable period and that corrective action capable of remedying such default has been instituted and is being diligently pursued and will be diligently pursued until the default is corrected;

- (c) the occurrence of an Event of Default under the Underground Lease;
- (d) the making of any representation or warranty by the City herein if such representation or warranty is untrue, incorrect, or invalid when made; and
- (e) the filing by the City of a voluntary petition in bankruptcy; the commission by the City of any act of bankruptcy; or the adjudication of the City as a bankrupt.

The foregoing provisions of this Section are subject to the following limitations: if by reason of force majeure the City is unable in whole or in part to carry out the agreements on its part herein contained, other than the obligations on the part of the City contained in Article III and Sections 5.1 and 9.4 hereof, the City shall not be deemed in Default during the continuance of such inability. The term "force majeure" as used herein shall include, without limitation, the following: acts of God; strikes, lockouts, or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States of America or of the State of Georgia or any of their departments, agencies, political subdivisions, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes, or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the City. The City agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the City from carrying out its agreements; provided, that the settlement of strikes, lockouts, and other similar disturbances shall be entirely within the discretion of the City, and the City shall not be required to make settlement of strikes, lockouts, and other similar disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the City, unfavorable to the City.

**Section 9.2 Remedies on Default.** Whenever any Event of Default referred to in Section 9.1 hereof shall have occurred and be subsisting, the Issuer may take any one or more of the following remedial steps:

- (a) the Issuer, at its option, may elect
  - (i) to recover from the City as liquidated damages the outstanding principal balance of the Series 2002 Bonds, plus all accrued but unpaid interest thereon to the date of payment, and amounts sufficient to satisfy all of the

Issuer's obligations under the Swap Agreement, plus any other amounts which may be owing from the City pursuant to this Agreement, including, without limitation, amounts required to be paid pursuant to Sections 3.8, 5.1 and 9.4 hereof; or

- (ii) to declare all installments payable under Section 3.8 hereof for the remainder of the Term of this Agreement to be immediately due and payable, whereupon the same shall become immediately due and payable. If the Issuer elects to exercise the remedy afforded under this subsection 9.2(a)(ii) and accelerate all installment payments payable under Section 3.8 hereof for the remainder of the Term of this Agreement, the amount then due and payable by the City as accelerated installment payments shall be the sum of the aggregate principal amount of the outstanding Series 2002 Bonds and all accrued and unpaid interest thereon then due and to become due to maturity and amounts sufficient to satisfy all of the Issuer's obligations under the Swap Agreement. Such sums as may then become payable shall be paid into the Bond Fund;

(b) subject to the provisions of any lease or sublease of the Underground Project, including the Underground Lease, the Issuer may, without terminating this Agreement, sell, lease or sublease the Underground Project for the account of the City, holding the City liable for the difference between the sales price, rent and other amounts payable by such purchaser, lessee or sublessee under such lease or sublease and the installment payments and other amounts payable by the City hereunder;

(c) subject to the provisions of any lease or sublease of the Underground Project, including the Underground Lease, the Issuer may terminate this Agreement and use its best efforts to sell or lease the Underground Project to another for the account of the Issuer holding the City liable for all installment payments due up to the effective date of such sale or lease and for the difference between (i) the amounts that would have been payable under this Agreement through the end of the Term of this Agreement and (ii) the amount actually received under this Agreement;

(d) the Issuer may require the City to furnish copies of the books and records of the City pertaining to the Underground Project; and

(e) the Issuer may take whatever action at law or in equity may appear necessary or desirable to collect the installment payment then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the City under this Agreement.

Any amounts collected pursuant to action taken under this Section shall be paid into the Bond Fund and applied in accordance with the provisions of the Series 2002 Indenture or, if the Series 2002 Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of Article VIII of the Series 2002 Indenture), to the City.

Nothing contained herein shall be construed to prevent the City or the Series 2002 Trustee from taking such action as shall be necessary to enforce compliance with any covenant or agreement by the Issuer hereunder.

**Section 9.3 No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are conferred on the Issuer hereunder shall also extend to the Series 2002 Trustee, and the Series 2002 Trustee and the holder or holders of the Series 2002 Bonds and the Swap Counterparty shall be deemed third-party beneficiaries of all covenants and agreements herein contained.

**Section 9.4 Agreement to Pay Attorneys' Fees and Expenses.** In the event the City should default under any of the provisions of this Agreement and either or both the Issuer or the Series 2002 Trustee should employ attorneys or incur other expenses for the collection of installment payments or the enforcement of performance or observance of any obligation or agreement on the part of the City herein contained, the City agrees that it will on demand therefor pay to the Issuer and the Series 2002 Trustee the reasonable fees of attorneys and such other reasonable expenses so incurred by the Issuer and the Series 2002 Trustee.

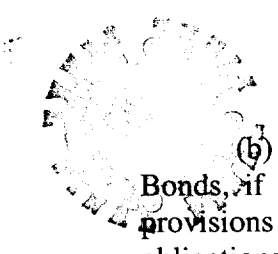

**Section 9.5 No Additional Waiver Implied by One Waiver.** In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver of any breach hereunder shall be made except in accordance with the Series 2002 Indenture.

## **ARTICLE X.**

### **OPTIONS IN FAVOR OF THE CITY**

**Section 10.1 Options to Terminate.** The City shall have the following options to cancel or terminate this Agreement:

(a) at any time prior to full payment of the Series 2002 Bonds and all Additional Bonds, if any (or provision for payment thereof having been made in accordance with the provisions of Article VIII of the Series 2002 Indenture), the City may terminate this Agreement by providing for the payment in full of the Series 2002 Bonds and all Additional Bonds, if any, in the manner set out in Article VIII of the Series 2002 Indenture and the satisfaction of all the Issuer's obligations under the Swap Agreement; and

(b) at any time after the full payment of the Series 2002 Bonds and all Additional Bonds, if any (or provision for payment thereof having been made in accordance with the provisions of Article VIII of the Series 2002 Indenture), and the satisfaction of all the Issuer's obligations under the Swap Agreement, the City may terminate this Agreement by giving the Issuer notice in writing of such termination and such termination shall forthwith become effective.

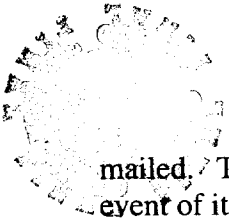

**Section 10.2 Option to Prepay Purchase Price Prior to Maturity of the Series 2002 Bonds.** The City shall have and is hereby granted the option to prepay the Purchase Price and complete the purchase of the Underground Project prior to the maturity of the Series 2002 Bonds (or prior to provision for payment thereof having been made in accordance with the provisions of Article VIII of the Series 2002 Indenture) if any one or more of the following events shall have occurred:

(a) the Underground Project shall have been damaged or destroyed as set forth in Section 6.1 hereof to such extent that in the judgment of the City (i) such damage or destruction will result in a reduction of more than twenty-five percent (25%) of the revenues from the Underground Project for a period of six months or longer, or (ii) the cost of restoration thereof would exceed the Net Proceeds of insurance carried thereon pursuant to the requirements of Section 6.3 of the Underground Lease, plus any deductible amount permitted under Section 6.3 of the Underground Lease;

(b) title to all or substantially all the Underground Project shall have been taken under the exercise of the power of eminent domain by any governmental authority or by any person, firm, or corporation acting under governmental authority, including a taking of the temporary use of the Underground Project, which the City projects will result in a reduction of more than twenty-five percent (25%) of the revenues from the Underground Project for a period of six months or longer; and

(c) as a result of (i) any changes in the Constitution of the State of Georgia or the Constitution of the United States of America, (ii) legislative or administrative action (whether state or federal), or (iii) a final decree, judgment, or order of any court or administrative body (whether state or federal), entered after the contest thereof by the City in good faith, this Agreement shall have become void, unenforceable, or impossible of performance in accordance with the intent and purposes of the parties as expressed in this Agreement or unreasonable burdens or excessive liabilities shall have been imposed on the Issuer or the City including, without limitation, federal, state, or other ad valorem, property, income, or other taxes not being imposed on the date of this Agreement.

To exercise such option, as to (a) through (c) above, the City shall, within ninety (90) days following the event authorizing the exercise of such option, give written notice to the Issuer (and to the Series 2002 Trustee if any of the Series 2002 Bonds and Additional Bonds, if any, shall then be unpaid and to the Swap Counterparty if all obligations of the Issuer thereunder are not yet satisfied) and shall specify therein the date of closing for such purchase, which date shall be not less than forty-five (45) nor more than ninety (90) days from the date such notice is

mailed. The Purchase Price which shall be paid to the Series 2002 Trustee by the City in the event of its exercise of the option granted in this Section 10.2 shall be the sum of the following:

- (1) an amount of money which, when added to the amount then on deposit in the Bond Fund will be sufficient to retire all the then outstanding Series 2002 Bonds and all Additional Bonds, if any, on the earliest applicable maturity date or the earliest permissible redemption date including, without limitation, principal, redemption premium, if any, and accrued interest on the Series 2002 Bonds to such date, plus
- (2) an amount sufficient to satisfy all obligations of the Issuer under the Swap Agreement, plus
- (3) an amount of money equal to the fees and expenses of the Series 2002 Trustee under the Series 2002 Indenture accrued and to accrue until such final payment of the Series 2002 Bonds and all Additional Bonds, if any, plus
- (4) all amounts due pursuant to the Liquidity Assurance Agreement, the Liquidity Agreement and the Remarketing Agreement, plus
- (5) the sum of one dollar (\$1.00) which shall be paid by the City to the Issuer.

From and after the date of exercise of the option granted in this Section, any Net Proceeds of insurance or condemnation shall be paid to the City.

**Section 10.3 Conveyance On Exercise of Option to Purchase.** At the closing of the purchase pursuant to the exercise of any option to purchase granted herein, the Issuer will, upon receipt of the Purchase Price, deliver or cause to be delivered to the City documents conveying to the City good and marketable title to the Underground Project with respect to which such option was exercised, as such property then exists, subject to the following: (i) liens and encumbrances, if any, to which title to such property was subject when conveyed to the Issuer, (ii) liens and encumbrances created by the City or to the creation or suffering of which the City consented, (iii) liens, encumbrances and restrictions resulting from the failure of the City to perform or observe any of the agreements on its part contained in this Agreement or in the Underground Lease, (iv) Permitted Encumbrances other than the Series 2002 Indenture and this Agreement, and (v) if the option is exercised pursuant to the provisions of Section 10.2(b) hereof, the rights and title of the condemning authority.

**Section 10.4 Relative Priority of Options and Indenture.** The options respectively granted to the City in this Article shall be and remain prior and superior to the Series 2002 Indenture and may be exercised whether or not the City is in default hereunder, provided that such default will not result in nonfulfillment of any condition to the exercise of any such option.

**Section 10.5 Amounts Remaining in Bond Fund.** It is agreed by the parties hereto that any amounts remaining in the Bond Fund upon completion or sooner termination of this

Agreement, as provided herein, after payment in full of the Series 2002 Bonds (or provision for payment thereof having been made in accordance with the provisions of Article VIII of the Series 2002 Indenture) and the fees, charges, and expenses of the Issuer and the Series 2002 Trustee in accordance with this Agreement and the Series 2002 Indenture and amounts sufficient to satisfy all the obligations of the Issuer under the Swap Agreement, shall belong to and be paid to the City by the Series 2002 Trustee as overpayment of installment payments.

**End of Part II**

IN WITNESS WHEREOF, the Issuer and the City have caused this Agreement to be executed in their respective names and their respective seals to be hereunto affixed and attested by their duly authorized officers, all as of the 1st day of July, 2002.
